

LOCKHEED MARTIN

This Certification makes it known that
Kearsley Airways Limited
Is a Licensed Repair Center of the
Licensed Repairs Program

This grant of rights verifies the highest aircraft OEM quality assurance and is accompanied by the full authority and privilege to repair and overhaul Lockheed Martin C-130B-H components in conjunction with a licensing agreement.

Signed by the President and Licensed Repairs Program Manager of Lockheed Martin Aircraft & Logistics Centers, Greenville, South Carolina on this Ninth Day of February, Two Thousand and Four.

David Posek, President

Cole Blumer, Program Manager: Certified Parts

Lockheed Martin Aircraft & Logistics Centers
120 Orion St., Greenville, SC 29605

Subject: Lockheed Martin Licensed Repairs Program

To: Kearsley Airways, Ltd.

The Lockheed Martin Licensed Repairs Program is proud to announce that Kearsley Airways, Ltd. is an official Licensed Repair Center (Repair Center LMASI-R-019). As such they have demonstrated the necessary technical skill, customer service, and dedication to continuous quality improvement required of all Licensed Repair Centers.

Operators can be assured that all repair/overhaul work performed by Kearsley Airways, Ltd. will meet the highest Lockheed Martin quality standards. Each Licensed Repair will have a unique serialized hologram attached to the repair certificate. These holograms bear the Licensed Repairs logo (Found at the bottom of this page) and serve as a guarantee that Lockheed Martin stands behind the repair/overhaul performed by the Licensed Repair Center.

For more information about the Licensed Repairs Program please contact our Customer Support Specialist at jason.m.springs@lmco.com.

Yours truly,

P. Cole Blumer
Program Manager
